

# 2008 MONARCHS SOCCER ACADEMY CAMPS

[www.hamburgsoccerclub.com](http://www.hamburgsoccerclub.com)

## Camp Philosophy

Our goal is to provide an environment where the campers have the opportunity to develop not just as soccer players but as individuals. We want them to have fun, make friends, and look upon their time playing soccer as a positive period in their lives.

## Camp Staff

The soccer academy camps will be headed by HSC Director of Coaching Lew Potter. Coach Potter has put together a staff of current and former college players and experienced coaches for the youth camp. All staff members are specifically chosen for their knowledge of the game and their ability to work with young players. This ability, combined with our training curriculum, allows our staff to provide a great camp experience emphasizing fun and learning in a creative, challenging environment. Additional information on advanced camp staff listed below.

## Youth Soccer Camp (for house and travel players) July 14-18, 9AM-12PM

Our curriculum will emphasize technique, tactics, small-sided play and games similar to a college pre-season program. Players will be grouped according to age and ability to provide a challenging environment.
